|------------------------------------|--------|---------|
|                                    | OK     | OK      |

Overall Remarks

The F model will be replaced by the G model. During the first construction site visit, the permanent QR display board was not yet in working progress. However, before starting the layout work, the municipality had installed a temporary QR banner. Municipality representatives assured that the permanent QR display board would be installed as soon as possible.
